

## Mission 1

### Simple Housing

- Use fill command to build a box building (at least 10 x 10 x 10)
- Use fill command to fill inside with air

### Sample Coding Answer:

```
/fill 1975 63 1975 1985 73 1985 concrete
```

```
/fill 1976 64 1976 1984 73 1984 air
```

### Your Coding Answer:

**\*\*** *You can pick any position (cannot be sample position)*

## Mission 2

### Aquarium Tower

- Use fill command to build a box building (at least 10 x 20 x 10)
- Use fill command to fill inside with water
- Use summon command to fill fish inside

### Sample Coding Answer:

```
/fill 1975 63 1975 1985 83 1985 glass
```

```
/fill 1976 64 1976 1984 83 1984 water
```

```
/summon tropicalfish 1980 73 1980
```

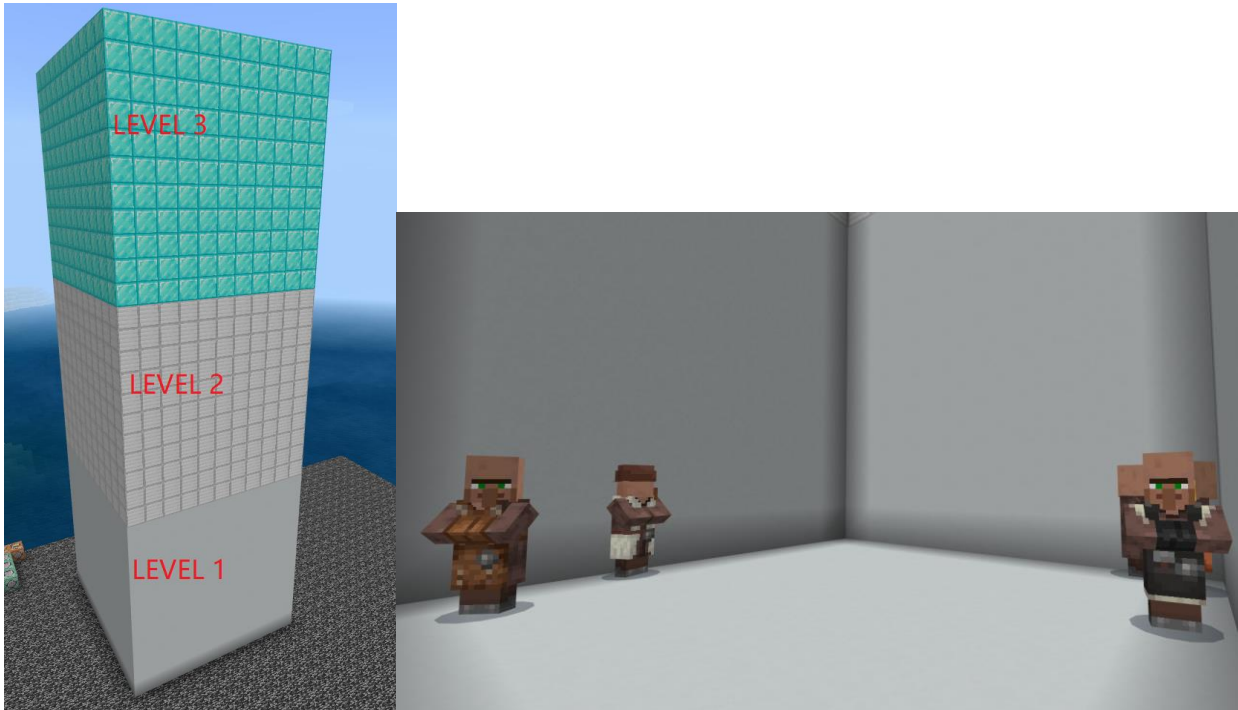

### Your Coding Answer:

**\*\* You can pick any position (cannot be sample position)**

### Mission 3

#### Multi level tower

- Use fill command to build a box building with empty inside (Any material for level 1)
- Use fill command to build a box building with empty inside (Any material for level 2)
- Use fill command to build a box building with empty inside (Any material for level 3)
- Summon villager inside the building

#### Sample Coding Answer:

```
/fill 2000 63 1975 2010 73 1985 concrete  
/fill 2000 74 1975 2010 84 1985 iron_block  
/fill 2000 85 1975 2010 95 1985 diamond_block  
/fill 2001 64 1976 2009 95 1984 air  
/summon villager 2005 70 1980
```

#### Your Coding Answer:

- \*\* You can pick any position (cannot be sample position)
- \*\* You can design & decorate inside
